Working Student - Focus: Master Data (m/f/d)

KWS Berlin is looking for a Working Student - Focus: Master Data (m/f/d) with 20 hours/week for 6 months for our Global Transaction Center. In this role, you will support the Master Data Management team in maintaining master data in various areas of the business (materials / vendors / customers) while adhering to standards and governance to ensure data is compliant with defined information, policies, and quality requirements as defined by the data owner.

Key responsibilities:

- Execute data changes in SAP ERP as requested by the business
- Perform mass updates as required
- Complete tasks in work queue as assigned according to the agreed SLA
- Initiate and carry out regular data cleansing activities to ensure high level data quality, compliance and consistency of master data
- Support in ad-hoc requests from the team related to master data

Your profile:

- Enrolled in Bachelor's or Master's program in engineering or business administration
- Understanding impact of master data management - first experience is a plus
- Strong interest in Data Management
- Proficiency in MS Office products, including advanced use of MS Excel
- SAP experience is an advantage

Your Benefits:

- A thorough introduction to our processes and IT systems
- A location in the heart of Berlin (currently mainly working from home)
- A positive and appreciative working environment
- Flat hierarchies and open communication
- An attractive remuneration and flexible working hours

We look forward to receiving your online application via our application system SuccessFactors! Please use the "Apply" function in the online advertisement.

About KWS

KWS is one of the world's leading plant breeding companies. With the tradition of family ownership, KWS has operated independently for more than 165 years. It focuses on plant breeding and the production and sale of seed for corn, sugar beet, cereals, potato, rapeseed, sunflowers and vegetables. KWS uses leading-edge plant breeding methods. Around 6.000 employees represent KWS in more than 70 countries. For more information: www.kws.com/career. Follow us on LinkedIn® at <https://www.linkedin.com/company/kwsgroup/>.

Our data privacy policy for candidates is available on www.kws.com/dataprotection. Please select the country where the job you applied for is posted in and, if applicable, the specific business unit.
