SEEDING
THE FUTURE
SINCE 1856

Salesforce Mulesoft Expert / IT Architect (m/f/d)

Would you like to work on modern technologies in the field of Precision Farming and significantly change agriculture with us? Then you are the right person for us as our new Salesforce Mulesoft Expert / IT Architect (m/f/d) position.

This is a permanent position and available in full-time at our HQ KWS SAAT SE & Co. KGaA in Einbeck, Lower Saxony.

Your Tasks:

- Establishment, further development and operation of a modern API management solution (Salesforce Mulesoft),
- Responsibility for a comprehensive cloud infrastructure in the context of customer-related IT solutions at KWS,
- Optimization and monitoring of various interfaces of different IT systems (PIM, DAM, KWS Geomapping System, Mobile Applications, Digital Farming, Salesforce),
- Project responsibility for further development of the above-mentioned and new interfaces and connection of other IT projects,
- Independent management and coordination of external implementation partners as part of project implementation,
- Connection of various external data suppliers to the KWS infrastructure,
- Creation of technical concepts, design of data structures (user data, product data, etc) and interfaces,
- Management of the operation of the implemented projects (outsourcing).

Your Profile:

- Degree in computer science or comparable education,
- Several years of professional experience in IT project management,
- Very good project management skills - especially agile project management skills (Scrum preferred),
- Knowledge of databases and interfaces,
- Experience Salesforce Mulesoft API Management,
- Experience with AWS infrastructure,
- Motivation & desire to learn our KWS specific systems ,
- Strong willingness to cooperate within a cross-functional network,
- Ability to innovate and flexibility,
- Good communication skills,
- Fluent in both German and English (both written and spoken).

Our Offer to You:

- An exceptionally interesting and varied job in an international environment with the opportunity to contribute innovative ideas.
- Working in an international, highly motivated and dynamic team with flat hierarchies.
- Flexible working hours with the possibility of mobile working (hybrid).
- As a family-run company, we live by the values of team spirit, closeness and trust, independence and vision - a culture that is also lived in practice, e.g. through an open and friendly work atmosphere.
- According to our slogan "Make Yourself Grow!" we promote individual professional and personal development.
- As a basis, we offer excellent work equipment (high-quality, ergonomic workstations, several monitors, air conditioning) and sufficient free parking spaces at the location.
- We also create the appropriate framework conditions: capital-forming benefits, Christmas and vacation pay, childcare allowance, company bicycle.

We look forward to receiving your online application (short cover letter, CV, relevant certificates) via our application system SuccessFactors! Please use the "Apply" function in the online advertisement.

About KWS

KWS is one of the world's leading plant breeding companies. Around 6,000 employees in 70 countries generated net sales of around €1.3 billion in fiscal 2020/2021. A company with a tradition of family ownership, KWS has operated independently for 165 years. It focuses on plant breeding and the production and sale of seed for corn, sugarbeet, cereals, vegetables, rapeseed and sunflowers. KWS uses leading-edge plant breeding methods to continuously improve yield for farmers and plants' resistance to diseases, pests and abiotic stress. To that end, the company invested more than €250 million last fiscal year in research and development. For more information: **www.kws.com/career**.
