

Our foresight. Your inspiration.
Plant tomorrow's ideas.

Production employee (m/f/d) for seed processing

KWS SAAT SE & Co. KGaA is looking for committed production employees (m/f/d) for sugarbeet seed processing at the Einbeck (Lower Saxony/Germany) as soon as possible. This dynamic position is initially limited to up to 24 months and is full-time.

Your tasks:

- Technical responsibility: monitoring and operating the state-of-the-art equipment and machinery in the various seed production processes
- Varied activities: Processing production orders according to work plan and specifications, and changing inserts in various production processes to ensure smooth operation
- Quality control: Performing control tasks to ensure the high quality of our seeds

Your profile:

- Completed vocational training (preferably in the natural sciences or agricultural sector), career changers from logistics/warehouse or technology/trades are also welcome
- Commitment: Willingness to work in shifts (sometimes 24/7) and high physical resilience
- German language skills are required
- Ability to work in a team, flexibility, reliability and independent working style
- A forklift driver's license would be an advantage

What we offer you to grow with us:

- Exciting challenge: work on an innovative product and make a decisive contribution to the success of our sugar beet business unit
- Familiar corporate culture: Experience a culture characterized by closeness, trust, foresight and independence - in practice every day
- Attractive framework conditions:

- Intensive induction: we offer you a comprehensive and intensive induction so that you are optimally prepared for your tasks

- Secure job: Work in a stable and future-proof company with long-term prospects

- Modern technologies: Use the latest machines and technologies for an efficient and safe way of working.

- Further training: Benefit from a wide range of training opportunities to continuously expand your knowledge and skills.

- Regulated working hours: Work a 4-shift system and receive recovery time to compensate for high workloads

- Monetary benefits: Enjoy extra campaign pay, company pension scheme, childcare allowance, capital-forming benefits, lunch allowance, job bike and much more!

Are you ready to develop your potential and grow with us? Then we look forward to receiving your application (short cover letter, CV, relevant references if applicable) via our online portal!

About KWS

KWS is one of the world's leading plant breeding companies. Over 5,000 employees in more than 70 countries generated net sales of around €1.5 billion in the fiscal year 2021/2022. A company with a tradition of family ownership, KWS has operated independently for 165 years. It focuses on plant breeding and the production and sale of seed for corn, sugarbeet, cereals, vegetables, oilseed rape and sunflower. KWS uses leading-edge plant breeding methods to continuously improve yield for farmers and plants' resistance to diseases, pests and abiotic stress. To that end, the company invested more than €285 million last fiscal year in research and development. For more information: www.kws.com/career.
