

Our foresight. Your inspiration.
Plant tomorrow's ideas.

(Junior) SAP Inhouse Consultant SCM (all gender)

Shape the digitalization and the electronic data exchange in seed production with us! We invite you to apply for the position of (Junior) SAP Inhouse Consultant (all gender) for Supply Chain Management at KWS SAAT SE & Co. KGaA – a renowned, family-owned seed production company dedicated to feeding the world.

In this dynamic role, you are not just part of a team – you are the driving force as our SAP expert, shaping the landscape of global logistic processes like Plant-To-Stock. Your journey with us includes supporting international SAP projects and coordinating global SAP application support.

Whether you choose our headquarters in Einbeck (Göttingen/Hannover area) or our growing location in Berlin – our offer of mobile working within Germany in coordination with the team leader ensures flexibility. A start is possible immediately, and the contract is permanent on our part. We offer the position full-time.

Our (Junior) SAP Inhouse Consultant for Supply Chain Management is responsible for the following:

- Ensuring and delivering expertise and specific solutions in the SAP environment (S4/HANA)
- Consulting on the optimization of supply chain processes (end-to-end), with a focus on SCM Production Integration
- Coordinating external service providers for SAP application development and customizing, as well as managing external application support (AMS)
- Implementing business requirements according to schedule, budget, and quality / user satisfaction and acceptance, utilization rate
- Coordinating the introduction of new integration tasks in the production environment (Third Party MES systems, LIMS...)
- Building and transferring technical knowledge, validating and supplementing technical concepts, monitoring tickets, regular exchange with external service providers

What you should bring with you:

- Completed studies in business informatics, economics, or completed vocational training
- Knowledge in the configuration/customizing of SAP modules PP and/or QM
- Project experience, which also includes independent, proactive working methods
- Curiosity and enjoyment of new things, as KWS is happy to be a pioneer in testing new features & tools
- Effective communication and organizational skills to coordinate internally & externally with many stakeholders and not lose sight of project plans
- Particularly good English skills, both written and spoken, as we need to communicate with various countries as a global department

We are happy if you also bring the following, but we are also willing to train you in these areas:

- SAP PP/DS and MRP
- Basic knowledge of Business Technology Platform (BTP)
- Experience in the agricultural/seed industry
- German language skills

Are you ready to start your career in a globally operating company and become part of an innovative team that is committed to sustainability and the future of food supply? Then do not hesitate any longer! Apply now at KWS SAAT SE & Co. KGaA and shape sustainable seed production with us. We look forward to your online application!

If you know someone in your network suitable to this role, please share the external posting and encourage this person to apply!

About KWS

KWS is one of the world's leading plant breeding companies. Nearly 5,000 employees in more than 70 countries generated net sales of around €1.68 billion in the fiscal year 2023/2024. A company with a tradition of family ownership, KWS has operated independently for almost 170 years. It focuses on plant breeding and the production and sale of seed for sugarbeet, corn, cereals, vegetables, oilseed rape and sunflower. KWS uses leading-edge plant breeding methods to continuously improve yield for farmers and plants'

resistance to diseases, pests and abiotic stress. To that end, the company invested more than €300 million last fiscal year in research and development. For more information: www.kws.com/career. Follow us on LinkedIn® at <https://linkedin.com/company/kwsgroup/>.

Our data privacy policy for candidates is available on www.kws.com/dataprotection. Please select the country where the job you applied for is posted in and, if applicable, the specific business unit.
