## Working Student Procurement Operations (m/f/d) - International

As part of the ONEGLOBE initiative, we are looking for a working student (m/f/d, 20 hours/week) for the Global Transaction Center Procurement team within KWS Berlin GmbH from July/August 2021. The internship has a duration of minimum three months and maximum six months. As a participant in the KWS Internship Program, you will gain real world experience and exposure to day-to-day procurement operations. Furthermore you will learn how Process Automation, Artificial Intelligence, Process Mining, Advanced Data Analytics influence the procurement process and organization.

### Your tasks:

- Supporting GTC procurement team in all day-to-day topics with strong focus on order management (processing of purchase requisitions and purchase orders).
- User support (handling user and vendor requests related to procurement topics).
- Work together with procurement and IT colleagues to develop and implement a state-of-the-art procurement organization utilizing Advanced Data Analytics, Process Mining, Robotic Process Automation, and Artificial Intelligence.

### Your profile:

- Bachelor or Master student in Business Administration or Business Engineering with strong affinity towards IT, automation, and business processes.
- Passionate problem solver and interested in learning new technologies.
- Very good knowledge of Microsoft Office 365 applications.
- Analytical and structured go-getter with good communication skills.
- Fluent German.

### What we offer you:

- A location in the heart of Berlin.
- A great team with lots of fun at work.
- A positive and appreciative working environment.
- Flat hierarchies and open communication.
- An attractive remuneration.
- Flexible working hours and a reasonable work-life balance

We are looking forward to your application using our online application system SuccessFactors! Please click the "Apply" button which you can find in the online advertisement.

### About KWS

KWS is one of the world's leading plant breeding companies. With the tradition of family ownership, KWS has operated independently for more than 160 years. It focuses on plant breeding and the production and sale of seed for corn, sugar beet, cereals, potato, rapeseed, sunflowers and vegetables. KWS uses leading-edge plant breeding methods. 5.700 employees represent KWS in more than 70 countries. For more information: [www.kws.com/career](http://www.kws.com/career).
