

Our foresight. Your inspiration.
Plant tomorrow's ideas.

Intellectual Property Manager - Life Sciences/Biotech (m/f/d)

Plan your next career step with us and start as an Intellectual Property Manager - Life Sciences and Biotech (m/f/d) at KWS SAAT SE & Co. KGaA.

The IP Manager is the responsible IP representative to steer the IP evaluation and prosecution activities for selected technology areas. Your work will help ensure freedom to operate and support new value creation for the KWS Group. You will closely interact with partners across the business as well as in breeding and R&D.

The position is unlimited and on a full-time basis. The place of work is either Berlin or in our Headquarters in Einbeck, Southern Lower Saxony.

Your Tasks – challenge meets responsibility:

- As the responsible IP representative you develop strategies that protect and create value using patents, PVP, and other means of know-how protection across the KWS Group for defined technical areas within biotechnology, breeding, biostatistics, digital technology, etc.
- Closely interact with stakeholders from R&D, Breeding, Legal and Business to promote product development and to generate IP value
- Evaluate and monitor the competitive IP landscape to ensure freedom to operate
- Manage patent prosecution in line with KWS business needs worldwide
- Participate in preparation, review, and negotiation of contracts for the protection of intellectual property

Your Profile – competence meets personality:

- Master or PhD degree in life sciences, biology, agronomy, plant breeding or in a related field
- Working experience in the IP field; a Patent Attorney qualification would be a plus
- Customer-oriented, can-do attitude
- Excellent analytical, presentation, communication, and collaboration skills
- Proficiency in English and German

We offer:

- Targeted professional and personal development opportunities e.g. enablement to qualify as European Patent Attorney
- Flexible working hours with the option of partially mobile work
- An international, motivated and dynamic team
- Company pension scheme, capital-forming benefits, and Christmas pay

Would you like to develop your potential and grow at KWS? Then we look forward to receiving your application (short cover letter, resume, relevant certificates) via our online.

About KWS

KWS is one of the world's leading plant breeding companies. With the tradition of family ownership, KWS has operated independently for more than 160 years. It focuses on plant breeding and the production and sale of seed for corn, sugar beet, cereals, potato, rapeseed and sunflowers. KWS uses leading-edge plant breeding methods. 5.147 employees represent KWS in more than 70 countries.
